我們相信，高標準的企業責任通常會產生良好的商業理念，並具有保障和提高投資實效的潛力。我們的盡職治理政策概述我們作為企業管理永續議題的方法，以及我們對客戶及履行我們受託人義務的重視度。富達的投票政策以及盡職治理活動定期於官方網站上更新。¹

原則2 制定並揭露利益衝突管理政策

永續投資團隊負責監控與代理投票有關的可能利益衝突。如果基金持有涉及多方交易主體的投資，我們將始終為該特定基金的利益行事。在與富達自身利益有所衝突的情況下，我們將根據我們主要的第三方研究機構之建議來投票，或者，若無任何建議，我們將選擇棄權或根本不投票。富達的利益衝突政策詳情可參見官方網站相關報告。

原則3 持續關注被投資公司

我們定期關注投資組合中的被投資公司和潛在被投資公司，確保其管理方式能創造長期永續價值。這包括檢視被投資的財務與營運狀況，以及其環境、社會、和公司治理實務。定期關注公司不僅能提升與公司交流對話時的品質，也為未來投資決策提供有用的參考價值。

原則 5 建立並揭露明確投票政策與投票情形

我們已制定投票政策，詳細闡述我們對關鍵事項的看法和意見，為在被投資公司的股東會上對每項議案行使代理投票時提供原則性的指引。原則上我們對於有代理投票權的股東大會都將盡可能行使投票權，投票決策旨在保障與提升我們為客戶進行投資的永續價值。

In cases where there is a conflict with Fidelity's own interests, we will either vote in accordance with the recommendation of our principal third-party research provider or, if no recommendation is available, we will abstain or not vote at all. Principle 3

Regularly monitor investee companies

We regularly monitor our investee and potential investee companies with the aim to ensure that companies in our portfolios are managed in a way that can deliver sustainable value creation over the long term. This includes reviewing and monitoring investee companies' financial and operational performance as well as their environmental, social and governance practices. This review and monitor inform our dialogue and interaction with these companies and is also a reference point for future investment decisions.

Principle 4

Maintain an appropriate dialogue and interaction with investee companies

We believe that it is critical to maintain an appropriate dialogue and interaction with our investee companies to better understand the views of their management regarding material issues and provide our feedback that may contribute to the further strengthening of their corporate governance and sustainable business practices. In determining the manner and time of dialogue, we take in to account the purpose, cost and benefits of the investment and significance of particular issues of concern.

Principle 5

Establish and disclose clear voting policies and voting results

We have established voting policies, detailing our views and opinions on key matters, with the purpose to guide the exercise of voting rights on each proposal at the shareholder meetings of our investee companies. It is our policy to vote every share we are entitled to, and our voting decisions are made with objective of protecting and enhancing the value of investments we make on behalf of our clients.

Our voting guidelines are updated on a regular basis and can be found on our website. Information to support our voting decision making process is derived from a variety of sources and includes material provided by the company, proxy voting research service providers and internal research. We capture, analyse and record our voting activity in accordance with our policies, which are disclosed on our website.
